

AVENUES OF ENGAGEMENT

Concordia offers a range of opportunities for Members and its greater community to become more actively involved in its year-round programming. For more information on how to get involved in Concordia's programming, please contact Concordia's Director of Programming, Donniell Silva, at dsilva@concordia.net or +1.646.568.1308.

INDIVIDUALS

Council: An executive committee of the foremost thought leaders related to each Pipeline's subject area who help scale opportunities and believe that partnerships provide viable solutions to pressing global challenges. The Council is comprised of distinguished Co-Chairs who collaborate with Concordia to define strategic programming goals, identify tangible deliverables, and inform the development of future initiatives.

Advisors: A group of industry experts who help guide upcoming event agendas, anticipate future trends in relevant industries, and assist in building Concordia's network of key stakeholders related to each Pipeline.

Working Group: A body of Concordia Members and Advisors interested in overarching Pipeline thematics who wish to receive quarterly updates related to content development, recent publications, and upcoming events. Within each Working Group, Collaboratives will be formed around narrowed topics of focus which proactively incubate ideas that are on the road to becoming future Concordia Campaigns.

ORGANIZATIONS

Strategic Partner: Strategic Partners contribute to the development of Concordia programming by committing financial support to each Pipeline and lending their institutional expertise at the C-suite level. Strategic Partners will be acknowledged by having their brand featured on all Pipeline materials and will be offered the opportunity to co-host events related to the key subject area leading up to or following the Concordia Annual Summit. Key executives from each Strategic Partner organization will also serve as Co-Chairs on the Pipeline Council and will be afforded thought leadership opportunities as part of their tenure.

Programming Partner: Concordia partners with leading think tanks, innovative government bureaus, and international nonprofit institutions to develop its action-oriented year-round programming. Through a collaborative and iterative process, Concordia and its Programming Partners curate topical content and develop event objectives around timely global challenges.

Programming Collaborator: Collaborators include government agencies, social enterprises, and nonprofit entities that contribute institutional principals to be positioned as event speakers and commit to supporting the expansion and diversification of Concordia's audience profile.
